

Sunday Night at Parade

2011-2012 Men's Hockey Schedule

Starting our 21th Year  
[www.paradehockey.net](http://www.paradehockey.net)

**Rules**

- USA Hockey Rules apply and will be enforced by USA on /off ice officials. **This includes suspensions and other disciplinary actions as referenced in USA Hockey Rule book for Adult non check hockey.**
- **All teams and players (including substitutes) shall be registered with USA Hockey.** This is done on line at [www.usahockey.com](http://www.usahockey.com). Go to [www.paradehockey.net](http://www.paradehockey.net) for a link and instructions. **Proof of registration must be submitted prior to playing in a game.**
- Games will consist of 3 fifteen minute stop time periods. If a 6 goal lead is gained in the 3<sup>rd</sup> period running time will be in effect until the lead is reduced to less than 6 goals Ice is resurfaced after each game.
- **Overtime will consist of one 5 minute running time period as ice time allows**
- Each team will have one, 1 minute time out
- All players will have uniforms with exclusive numbers. The second team is listed as the home team and shall wear white.
- Age requirements allow for all previously rostered players to be grandfathered in. However new players shall be over 35 with 2 exceptions per team that can be between 21-35. In the **interest of parity** if you lose a younger player from past years a similar aged player can be added. As an example, you can replace last year's 30 year old with a new 30 year old but not increase the percentage of under 35 year old players. Goalies can be 21 or older and are not counted as one of your young players. This is not a perfect science.
- **Rosters must be updated with the scorekeeper before each game. This helps with correct statistic reporting on our website.**
- Players must play in 8 regular season games to be eligible for the play-offs
- Equipment shall include a minimum of a ½ shield and helmet. Equipment cannot be altered as covered in USA Hockey rules. The referees should be dealing with only team captains with explanations of rules etc. Referee judgment is not up for discussion.
- Parade Ice Garden will have one locker room per team. **KEEP LOCKER ROOMS CLEAN>** We are given priority over the studio rink games.
- The league ice time is generally from 6:15-11:00 PM Game times may vary from week to week.

**By choosing to play in this league you agree to these rules. You also further accept the spirit of these rules and this league. Our goal is to provide a fun and competitive league made up of average/varied skilled players who enjoy the opportunity to play in an organized, competitive, non-violent manner. All players wish to be able to return to work the next day. Team parity is a goal as is control of sticks, tempers and respect for all others (players/referees/scorekeepers etc)**

Scrimmages are on North Rink, all other games on North. . First Games Should start on time other games **are approximate due to length of games.**

9/25/11 1 Hour North Rink Scrimmages 6:15 Jets/Moose 7:30 Stars/Bombers 8:45 Gophers/Leafs

**NORTH**

10-2	6:15	Stars	Gophers
